

A RESOLUTION

OF

GREENVILLE COUNTY CAPITAL PROJECT SALES TAX COMMISSION

REGARDING THE FORM OF THE PROPOSED BALLOT PURSUANT TO TITLE 4, CHAPTER 10, ARTICLE 3 OF THE CODE OF LAWS OF SOUTH CAROLINA, 1976, AS AMENDED, AND OTHER MATTERS RELATED THERETO.

WHEREAS, Title 4, Chapter 10, Article 3 of the Code of Laws of South Carolina, 1976, as amended (the "*CPST Act*"), allows for the imposition of a one percent sales and use tax for a limited amount of time not to exceed eight years to fund specific capital improvement projects through the enactment of an ordinance by the governing body of a county, subject to a referendum within such county;

WHEREAS, pursuant to Section 4-10-350(B) of the CPST Act, unprepared food items, motor fuel (as described in Section 12-36-2120(15) of the Code of Laws of South Carolina, 1976, as amended) and prescriptions (as described in Section 12-36-2120(28), (63) and (74) of the Code of Laws of South Carolina, 1976, as amended) are exempt from the sales and use tax that may be imposed under the CPST Act;

WHEREAS, the Greenville County Capital Project Sales Tax Commission (the "*Commission*") was created pursuant to Section 4-10-320 of the CPST Act, by a resolution adopted March 5, 2024 by Greenville County Council (the "*County Council*"), the governing body of Greenville County, South Carolina (the "*County*"), and pursuant to which the County appointed three commissioners from the County;

WHEREAS, three commissioners from the municipalities within the County have been appointed in accordance with the CPST Act;

WHEREAS, the Commission received funding proposals for projects qualifying under the CPST Act;

WHEREAS, the South Carolina Revenue and Fiscal Affairs Office has estimated that a one percent sales and use tax would generate approximately \$1.045 billion during the eight-year period from May 1, 2025 to April 30, 2033;

WHEREAS, the Commission has reviewed all projects and made a determination of the purposes for which the sales and use tax imposed under the CPST Act should be imposed and the projects funded thereby, and formulated the ballot question to be placed on the ballot, if County Council enacts an ordinance to place the question as formulated by the Commission on the ballot for the November 5, 2024, general election; and

WHEREAS, the Commission is recommending a prioritized list of projects with a total estimated cost of approximately \$1.047 billion to be funded as and to the extent funds become available, including the case in which sales and use tax receipts outperform current estimates.

NOW THEREFORE BE IT RESOLVED BY THE GREENVILLE COUNTY CAPITAL PROJECT SALES TAX COMMISSION IN MEETING DULY ASSEMBLED:

Section 1. Formulation of Ballot Question

The question as formulated by the Commission in discharging its responsibilities under Section 4-10-320(C) of the CPST Act is attached hereto as *Exhibit A* and incorporated herein by reference (the “*Ballot Question*”).

Section 2. Projects to be Funded, Conditions and Restrictions on Use of Sales Tax Proceeds

(a) The projects to be funded from the sales and use tax revenues (the “*CPST Revenues*”), and each project’s designated tier of funding priority, are listed on *Exhibit B* attached hereto and incorporated herein by reference. Except as otherwise permitted by subsections 2(c) and 2(d) below, the Commission has determined that those projects with a higher priority tier ranking shall be funded before projects with a lower priority tier ranking (with Tier 1 being the highest priority ranking) as and to the extent that CPST Revenues become available. Nothing herein shall prevent the simultaneous funding of multiple projects within the same funding tier.

(b) The Commission’s determination as to funding priority in this **Section 2** and in *Exhibit B* is a condition precedent to the imposition of the sales tax, and a condition and restriction on the expenditure of sales tax proceeds pursuant to Section 4-10-330(A)(4) of the CPST Act.

(c) Once the construction contracts for 70% of all projects in a given funding tier have been let, the County can begin spending CPST Revenues on projects in the next funding tier. Additionally, CPST Revenues may be spent on preconstruction work, such as design, engineering, and related planning, for projects in the next funding tier.

(d) Notwithstanding the above, upon the written request of the County Road Project Program Director, the County Council, by ordinance, may determine to fund projects in the next lower priority funding tier before projects of a higher priority funding tier (e.g., funding a Tier 2 project before funding a Tier 1 project). Such ordinance must contain findings that either (i) the higher priority project is delayed or impractical on the basis of construction schedules or other events that may affect the schedule or scope for such project or (ii) the lower priority project has received partial funding from grants or other sources allowing such lower priority project to be undertaken ahead of schedule. The written request and ordinance required by this subsection 2(d) shall specify either (i) the basis of the delay or scope adjustment, which may include issues concerning acquisition of title and rights-of-way, design and engineering considerations, environmental issues, the receipt of all necessary permits and regulatory approvals, bids in excess of project estimates and cost overruns and related scope reduction or value engineering, qualification of bidders, the availability of CPST Revenues or other funding sources, project impossibility, and force majeure or other unforeseen circumstances or (ii) the alternative source or sources of funding of the lower priority project.

(e) The expenditures of CPST Revenues or the proceeds of any related bonds, if approved, shall be subject to acquisition of property, rights-of-way, design and engineering considerations, the receipt of all necessary permits and regulatory approvals, funding of projects

from other sources (including unanticipated grants that fund a project), bids in excess of project estimates, qualifications of bidders, cost overruns, financing costs, exhaustion of insufficiency of net CPST Revenues or bond proceeds to complete the projects in the order and priority stated above, and other unforeseen circumstances and conditions. Net CPST Revenues, if approved, may be used to pay debt service on bonds, if any, issued to pay the cost of projects.

(f) The following are additional conditions and restrictions on the expenditure of sales tax proceeds pursuant to Section 4-10-330(A)(4) of the CPST Act:

(i) All CPST Revenues must be deposited into a separate account of the County and not comingled with any other funds.

(ii) The CPST Revenues and any related bond proceeds will be used and expended for procurement, project management, right-of-way, design, engineering, construction and/or improvement of the projects listed on *Exhibit B*, including payment of such sums as may be required in connection with the issuance of bonds.

(iii) Pursuant to Section 4-10-360 of the CPST Act, within thirty days of the receipt of any quarterly payment of CPST Revenues, the County Treasurer or the County Administrator shall certify to the Department of Revenue amounts of net proceeds applied to the costs of each project and the amount of project costs remaining to be paid and, if bonds have been issued that were approved in the referendum, a schedule of payments remaining due on the bonds that are payable from the net proceeds of the CPST Revenues.

Section 3. Provision of Ballot Question to County Council

Pursuant to Sections 4-10-320(C) and 4-10-330(D) of the CPST Act, the Commission has determined the question to be submitted to County Council for the referendum on November 5, 2024, must read substantially as set forth in *Exhibit A*. The only modification to the Ballot Question that the County Council may make is whether bonds payable from the CPST Revenues may be issued by the County. The Commission recommends that the County Council include as part of the Ballot Question authorization to issue bonds payable from the CPST Revenues in order to begin the projects as soon as possible. The Chairman of the Commission is hereby directed to provide this Resolution and the Ballot Question to the County Council for its consideration.

Section 4. Oversight Committee

The Commission further recommends that the County Council establish an oversight committee (the "Oversight Committee") comprised of at least six members appointed by the County Council which will be responsible for reviewing appropriations and expenditures of CPST Revenues to ensure that CPST Revenues are appropriated and expended in accordance with this Resolution, including the exhibits attached hereto. Meetings of the Oversight Committee should be held in public meeting spaces at the County Administrative Offices and scheduled regularly so that the Oversight Committee receives updates on the appropriations and expenditures of CPST Revenues and the progress of the related projects.

Section 5. Effective Date

This Resolution is effective immediately upon its adoption by the Commission.

DONE AND RESOLVED this 28th day of May 2024.

**GREENVILLE COUNTY CAPITAL PROJECT
SALES TAX COMMISSION**

Chairman

EXHIBIT A
BALLOT QUESTION

Ballot Question

Must a special one percent sales and use tax be imposed in Greenville County for not more than 8 years to raise the amounts specified for the following purposes?

- (1) \$473,919,000 for one thousand four hundred and forty-five (1,445) road improvement, repaving, and reconstruction projects, including:
 - Adams Mill Road from Ashmore Bridge Road to Brooks Road
 - Airport Road from Haywood Road to Laurens Road
 - Bridges Road from East Butler Road to Bethel Road
 - Cedar Falls Road from McKelvey Road to Hillside Church Road
 - Crescent Avenue from Church Street to Cleveland Street
 - Devenger Road from Hudson Road to South Batesville Road
 - Donnan Road from Rutherford Road to Wade Hampton Boulevard
 - East and West Bramlett Road from West Blue Ridge Drive to Hampton Avenue Extension
 - Emily Lane/Blakely Avenue/Griffin Mill Road/Log Shoals Road from Old Pelzer Road to Neely Ferry Road
 - Five Forks Road from SC 14 to Woodruff Road
 - Geer Highway from SC 11 to State Line
 - Goldsmith Road from Howard Drive to Jones Mill Road
 - Groce Meadow Road from Milford Church Road to Mountain View Road
 - Holland Road from Vendue Court to East Butler Road
 - McElhaney Road from Old White Horse Road to South Main Street
 - McKelvey Road from Fairview Road to Augusta Road
 - Memorial Drive Extension from Whitfield Way to West Poinsett Street
 - Old Highway 25 from US 25 to State Line
 - Piedmont Highway from Bracken Road to County Line
 - Piedmont Park Road from Rutherford Road to East Mountain Creek Road
 - Roe Ford Road from Old Hunts Bridge Road to US 25
 - South Bennetts Bridge Road from Woodruff Road to County Line
 - Summit Drive from Mohawk Drive to Wedgewood Drive
 - Talley Bridge Road from Geer Highway to SC 414
 - Wembley Road from Laurens Road to Cul De Sac

- (2) \$216,100,000 for fifty-one (51) intersection improvement projects, including:
 - Arlington Avenue and North Line Street
 - Bethel Road, Bridges Road, and Tanner Road
 - Brushy Creek Road and Hammett Road
 - East Mountain Creek Road and Mountain Creek Church Road
 - Edwards Road and Howell Road
 - Fork Shoals Road and SC 418

- Forrester Drive and Hamby Drive
- Georgia Street, Putnam Road, and South Woods Drive
- Gibbs Shoals Road and Dillard Road
- Harrison Bridge Road and Hipps Road
- Locust Hill Road, Lynn Road, and Waters Road
- Milford Church Road and SC 101
- North Academy Street and North Church Street
- North Pleasantburg Drive, Wade Hampton Boulevard, Edwards Road, and Pine Knoll Drive
- Scuffletown Road and Jones Mill Road
- Stallings Road and Roberts Road
- Tigerville Road and US 25
- US 25 and Roe Road/Little Texas Road
- Woodruff Road, East Georgia Road, and Anderson Ridge Road

(3) \$313,200,000 for thirty-one (31) roadway safety and congestion relief projects, including:

- Fairview Road from Harrison Bridge Road to Grandview Drive
- Haywood Road and I-385 interchange
- North and South Pleasantburg Drive from State Park Road to Augusta Road
- Wade Hampton Boulevard from West Stone Avenue to North Pleasantburg Drive
- Road widenings on Ashmore Bridge Road, Dallas Road, Edwards Road, Fowler Circle, Howell Road, O’Neal Church Road, Ridge Road (Greenville), Salters Road, West Georgia Road, and Wofford Road

(4) \$43,613,000 for thirty-seven (37) bridge and road-related drainage projects, including:

- Bridge replacements on Anderson Ridge Road, Balfer Drive, East Dorchester Boulevard, Hilly Street, McMahan Road, Pine Forest Road, Queen Street, Scarlett Street, and Ranch Road
- Road drainage improvements in Belle Meade, Berea Forest, and Cherokee Forest subdivisions

Total: \$1,046,832,000

INSTRUCTIONS TO VOTERS: All qualified electors of Greenville County desiring to vote in favor of imposing the tax for the stated purposes as outlined above shall vote “YES”, and all qualified electors opposed to levying the tax shall vote “NO”.
